

PS 1.4

ELEVATING THE VOICES OF YOUNG PEOPLE FOR CLIMATE ACTION

| BACKGROUND

By 2025, Gen Z will exceed over 30% of the global workforce. Join us for Future Talk: leverage Gen Z to create a workforce advantage. It is the only youth-led AND action-focused event. You will leave with innovative solutions and new ideas.

You will hear directly from young leaders. How can we harness Gen Z's unique drive and approach to address issues at the nexus of climate change, biodiversity loss and health crises?

FHI 360's partner, Future Minds Network will offer practical guidance and tools to action social change. Work collaboratively with participants to inspire and implement ideas that mobilise intergenerational action. Bring these back to your workplace and have actionable takeaways, new insights and a completely fresh perspective.

| OBJECTIVES

To inspire, raise youth voices and increase youth participation to address climate and health crisis.

Speaker

Mohamed Eissa

Liaison Officer for Public Health Issues

International Federation of Medical Students Associations (IFMSA)
Egypt

Mohamed is medical intern at Alexandria Faculty of Medicine, Egypt. He has been volunteering in the public health field for 5 years, allowing him to gain extensive experience in different public health issues such as NCDs including Mental Health, Infectious diseases, Climate Change and Environmental issues, Health systems and UHC, AMR, Health Equity and Determinants of Health etc.. He is currently the Liaison Officer for Public Health Issues at the IFMSA, Youth Leadership Board Member at the Global Youth Coalition for Road Safety and Climate Change and COVID-19 Youth Associate at WHO Egypt.
